

Fort Rucker Subcontracting Opportunities

Thursday, September 2, 2010
10:00am, Troy University – Dothan Campus

MGC Roofing & Construction, Inc. & I. LO. Fleming Inc., a teaming partnership for the newly awarded Job Order Contract (JOC), is looking to pre-qualify subcontractors of all construction trades for upcoming work located at Fort Rucker. On Thursday, September 2, 2010, at 10:00 am, MCG will conduct a briefing at Troy University Dothan Campus to discuss their subcontracting needs and requirements. The briefing is cosponsored by Troy University's Procurement Technical Assistance Center and Center for International Business & Economic Development.
